1. **Wet Dockage:** By order of the owner/vessel master signing this Agreement, it is agreed that Sunset Marina, LLC, a Maryland limited liability company ("owner") shall provide and the Vessel shall receive and be liable for the wet dockage and services in the numbered slip in Sunset Marina. The Vessel shall be removed at or before 11:00 a.m. of the departure date unless a new transient dockage agreement has been signed and the charges for the renewal term paid in advance.

2. **Safekeeping:** The parties agree that Owner does not accept the Vessel for storage, is not a bailee, and will not be responsible for any damage or loss to the Vessel or to any person visiting the Vessel, unless caused by gross negligence or willful miss conduct of Owner. However, during the absence of the Vessel owner/master, if Owner finds the Vessel insecure or in danger, Owner is authorized, but not required, to take temporary action to protect the Vessel and the reasonable costs therefore shall be charged against the Vessel.

3. **Rules & Regulations:** This agreement is subject to the Sunset Marina Rules and Regulations set forth on the reverse side of this agreement ("rules and regulations"). Failure of the Vessel's personnel and invitees to comply with the Rules and Regulations shall be a basis for immediate termination of this Agreement.

4. **Damage:** The Vessel shall be liable for any damage caused to property of Owner, including costs of collection.

5. **Removal and Retention of Vessel:** If Owner in Owner's sole discretion finds that continued dockage of the Vessel is not in the best interests of Owner, or if the Vessel's personnel and invitees fail to comply with the Rules and Regulations, or if there are charges or fees due, demanded by and unpaid to Owner, or if this Transient Dockage Agreement has expired without being renewed, Owner may, and it is hereby authorized to, have the Vessel taken to a nearby facility for wet or dry storage. All costs for moving, securing, hauling, blocking, guarding, insurance and other charges shall be charged against the Vessel.

6. **Other Terms and Conditions:** All of the provisions of Owner's form of Recreational Slip Lease Agreement, a copy of which may be obtained from the Sunset Marina Office upon request, are hereby incorporated by reference in the Transient Dockage Agreement.

Sunset Marina-Rules and Regulations

- A. **While In Slip**
 1. No swimming, diving, fishing or crabbing in the Marina.
 2. Loud noise, rough housing, running and general disturbance is prohibited. Operation of engines and generators is prohibited after 7 pm. Sound equipment shall be played so as not to disturb adjacent slipholders. Abusive language is prohibited.
 3. Pets will be permitted as long as they do not disturb others and are leashed at all times. Owners will be required to clean up after their pets and to use pet areas if designated.
 4. Grilling (charcoal, gas, electric or open fires) is strictly prohibited in the marina.
 5. Parking areas and spaces will be designated and limited to one support vehicle per racing team. Parking of trailers or RV's is prohibited.
 6. No signs soliciting sales or other business activity are permitted on the vessel or in the marina, unless approved by the marina manager.
 7. All refuse must be secured in plastic bags and deposited in the refuse containers provided by the marina.
- B. **Storage, Work, Tradesmen**
 1. No work on the hull will be permitted except cleaning and polishing. Only light work, not involving noise, dust, dirt, odors or solvents will be permitted on any other part of the vessel.

2. Uniform requirements for tradesmen have been adopted by the marina and no tradesmen will be permitted to perform work in the Marina until he has met those requirements. Owners must inform the Marina of the name, address, phone number and intended dates and times tradesmen are to perform work and must advise the tradesmen of the necessity for them to register. Outside tradesmen must meet any and all requirements established by the Marina manager before performing any work at the Marina.
3. No fuel shall be brought on the marina property by the Marina owner or by any contractor of the vessel owner. Fueling of vessels in the Marina will be performed exclusively by the Marina's fueling operations.

C. Leaving and Arriving

1. Vessels shall not exceed 4 knots in the entrance nor 2 knots within the marina.
2. All vessels shall comply with all rules of the road within the marina and the channel, and shall display all navigation lights required by law.
3. Spotlights shall be used only as necessary for navigation.
